COMMISSIONER  
Carey D. Cockerell

Dear Halo Society,

On behalf of the CPS caseworkers, and Youth that are aging out of care I want to thank you and tell you how grateful we are that you gave toward the 2008 Graduation party. Your generous donation helped us to provide the youth with delicious food for the party. All of the youth, CPS staff, and others had a blast. We appreciate your dedication toward youth in foster care and the help you aid them with. Keep up the good work!

Sincerely,

Karolyn Adams
